RE: Approval Water Impoundment
Amendment
Lucky Strike/ Tony M. Mine
ACT/017/001
Garfield County, Utah

Dear Fred:

Please regard this letter as final Division approval for the water impoundment facility at the Lucky Strike/Tony M. Mine as an amendment to the Mining and Reclamation Plan approved on August 20, 1979.

The revised reclamation surety estimated to be \$140,637.58 was approved by the Board of Oil, Gas and Mining on October 16, 1980 as a contract form of surety. The publication notice was made on October 9, 1980 and terminated 30 days later without the Division receiving any adverse comments. Due to an oversight on the Division's behalf, a final approval letter was never forwarded to Plateau Resources, Ltd. I apologize for this oversight and hope it has not caused Plateau any inconvenience. If you have any questions, please feel free to call.

Sincerely,

JAMES W. SMITH, JR.
